

List of Offered Master Program for 2022 Intake

★ Supported by CSC-Chinese University Program

※ Supported by CSC-Sino-Africa Program

NPU President Scholarship covers all majors listed above.

School (Campus)	Major	Medium
School of Aeronautics (Youyi Campus)	Flight Vehicle Design ★	English
	Aircraft Structures and Airworthiness Technology ★	English
	Fluid Mechanics ★ ※	English
School of Astronautics (Youyi Campus)	Aeronautical and Astronautical Science and Technology ★	English
	Control Science and Engineering ★ ※	English
School of Marine Science and Technology (Youyi Campus)	Naval Architecture and Ocean Engineering	English
	Information and Communication Engineering ★ ※	English
School of Materials Science and Engineering (Youyi Campus)	Materials Processing Engineering ★ ※	English
	Materials Science ★ ※	English
School of Mechanical Engineering (Youyi Campus)	Mechanical Engineering ★ ※	English
School of Mechanics, Civil Engineering and	Solid Mechanics ★ ※	English
	Architecture	Chinese

Architecture (Chang' an Campus)	Civil Engineering ※	English
School of Power and Energy (Chang' an Campus)	Aeronautical and Astronautical Science and Technology ★	English
	Power Engineering and Engineering Thermophysics	English
School of Electronics and Information (Chang' an Campus)	Electronic Science and Technology ★ ※	English
	Information and Communication Engineering ★	English
School of Automation (Chang' an Campus)	Control Science and Engineering ★ ※	English
	Electrical Engineering ★ ※	English
School of Computer Science (Chang' an Campus)	Computer Science and Technology ★ ※	English
School of Managment (Chang' an Campus)	Management Science and Engineering ★	English
	Business Administration	English
School of Public Policy and Administration (Chang' an Campus)	Public Administration	Chinese
	Applied Economics	Chinese /English
	Science of Law	Chinese
School of Software (Chang' an Campus)	Software Engineering ★ ※	Chinese /English

School of Life Sciences (Youyi Campus)	Biology	English
	Biomedical Engineering	English
School of Foreign Studies (Chang' an Campus)	Foreign Linguistics and Applied Linguistics	English
	English Language and Literature	English
School of Microelectronics (Chang' an Campus))	Electronic Science and Technology ★ ※	English
School of Cybersecurity (Chang' an Campus))	Cyber Security	English
School of Civil Aviation (Youyi Campus)	Solid Mechanics ★ ※	English
	Aircraft Structures and Airworthiness Technology ★	English
	Aeronautical and astronautical science and technology ★	English
	Flight Vehicle Design ★	English
School of Mathematics and Statistics (Chang' an Campus)	Computational Mathematics	English
	Operational Research and Cybernetics	English
	Pure Mathematics	English
	Applied Mathematics	English
School of Chemistry and Chemical Engineering (Chang' an Campus)	Physical chemistry	English
	Chemistry	English
	Polymer Chemistry and Physics	English

	Organic Chemistry	English
	Material science ★ ※	English
	Material processing Engineering ★ ※	English
	Applied chemistry	English
	Chemical Engineering and Technology	English
School of Physical and Technology (Chang' an Campus)	Optical Engineering	Chinese /English
	electrical Information ※	English
	Condensed matter physics	Chinese /English
Institute of Flexible Electronics (Chang' an Campus)	Flexible Electronics ★ ※	English
